How To Literally Do Anything

*What you send out — thought, emotion and deed together — is what you shift into. Change the frequency, **hold it moment to moment**, and let go of **how** it will come.*

THE PULL OUT METHOD

1 NOTICE
Hurt, fear or doubt = off-balance with love.

↓

2 PULL OUT
"I am the structure." Don't react the same way.

↓

3 CALM DOWN
Completely, before anything else.

↓

4 BE GRATEFUL
For what is already here. Don't reject it.

↓

5 LIFT & PROJECT
Feeling, words, tone and action — all positive.

↓

6 LET GO OF THE HOW
No script. No expectation of outcome.

↓

7 ACT & HOLD
Moment to moment, even if nothing changes.

If you slip, go back to step 2.

REMEMBER

- You are the structure. Nobody is outside of you.
- Change the frequency — then **hold** it.
- Know it 100%. A 99% download won't play.
- Act. Be grateful. Accept any outcome.
- "You have to know it in order to see it."

WHEN THIS HAPPENS…

Someone is upset with me
Kind tone, no judgment: "I understand. Can we talk later?" Accept any outcome.

Something seems missing
Gratitude → know you already have it → take action → watch for synchronicity.

It won't shift
Doubting or scripting the how? If not, it's a lesson: accept it, pass it with excellence.

KEY WORDS

Structure the field you are made of · **Shifting** snapshot to snapshot · **Timeline** same frequency held · **Crystallize** make it solid · **Condition** any doubt or script · **Knowingness** 100% certainty

Mobilizing Structures

Before you react, ***pull out to zero point*** *and see where you are. The outcome follows the emotion you hold most — so don't reject what you see:* ***overwrite it****.*

THE OVERWRITE PROTOCOL

1 NOTICE THE DROP
"I recognise what I just did."

↓

2 PULL OUT
"I am a hologram." Step back, like watching a screen.

↓

3 ZERO POINT
Still and neutral. "Thank you for showing me where I'm at."

↓

4 CHOOSE
The positive, through the heart. "I am." "I know."

↓

5 AMPLIFY
Feel it like an actor on cue — until goosebumps.

↓

6 HOLD, HOLD, HOLD
Steady, 100%, even if the scene doesn't change.

↓

7 DROP IT
Release it to the field. No expectations of how.

Result: the next reality is built on the new frequency.

REMEMBER

- Neutral first, then choose.
- Doubt = flicker. The field picks what you fed most.
- Gratitude neutralizes. Then overwrite — never reject.
- Every moment is a brand-new reality. Let the past go.
- Say "I am" and "I know" — never "I will".

WHEN THIS HAPPENS…

Bad news or a forecast
"That's their projection. Love and light." Give gratitude, then project what you choose.

A negative thought appears
Don't fight it. Thank it, go neutral, then overwrite with a stronger positive.

Forgot why I came in
Recall the last room: where I was, what I was thinking and doing.

KEY WORDS

Zero point still, neutral awareness · **1 + 1 = 3** two realities merge into a third · **Flicker** what doubt does · **Overwrite** stronger, not rejecting · **Drop it** release with no conditions · **False language** "I will"

Fluctuating Realities

*The field always delivers what you **truly feel**. Saying something else adds a dense overlay, and you get your true wish by a hard route. **There is no white lie.** Your heart is your compass.*

THE TRUTH CHECK

1 PAUSE & FEEL
What do I truly feel, under politeness or habit?

↓

2 PEEL THE LAYERS
Heart — or ego, fear, wanting to impress, greed?

↓

3 SAY IT KINDLY
Brief and polite. No full explanation owed.

↓

4 CORRECT AN OVERLAY
Said yes but meant no? Fix it honestly, now.

↓

5 SWITCH IF YOU DROP
Gratitude for everything you have.

↓

6 PROJECT & RELEASE
Positive, from the heart. Let go of when and how.

REMEMBER

- Energy is energy: the more potent frequency wins.
- Karma = accumulated false pretense.
- Things are not who you are. Heart or ego?
- A to B = AB. No time — the in-between can be skipped.
- Stay with what resonates. Don't judge.

WHEN THIS HAPPENS…

About to say yes but mean no
"I'm sorry, something came up — can we do it another time?"

Dizzy or sick after a big shift
Rest and integrate — and check your body (it may be health, e.g. low sugar).

Unsure which teaching to trust
Does it resonate with my heart? Is it given from the heart or from greed?

KEY WORDS

Overlay saying ≠ feeling · **Potent** the stronger frequency · **Stoppage** how a hidden wish arrives · **Karma** accumulated false pretense · **Bilocation** A to B = AB · **Resonate** true for my heart now

Money Structure

*A fixed price is a **condition** that narrows your field to money only. Keep your job and pay your bills — and give from the heart, let people choose, and **be the abundance** you want to see.*

OPENING THE FIELD

1 SPOT THE CONDITION
A price, "only if you give back", "only money can do this".

↓

2 KEEP YOUR PLATFORM
Do your job. Pay your bills.

↓

3 FOLLOW YOUR PASSION
After the bills, daily. Hold the excitement.

↓

4 GIVE FROM THE HEART
No expectations. Let people choose what to give.

↓

5 ACCEPT WHAT COMES
Money, donation or gift. Don't reject money.

↓

6 HOLD AT 100%
Short on money? Gratitude, know, don't drop.

↓

7 CHECK THE WANT
Heart or ego? Only for me, or for others too?

REMEMBER

- A price is a code in the field.
- Accept money — never limit yourself to it.
- Exactly what you need, no more, no less.
- If someone uses you, it stays in their reality.
- Know it, feel it, project it.

WHEN THIS HAPPENS…

The bank looks empty
Don't drop your emotion. Gratitude → "I have what I need" → act → let it come any way.

Someone could pay but just takes
You did your job. Their taking stays with them; another may give double.

I want something
Is it from the heart or to show off? Let the field choose the best form.

KEY WORDS

Condition a price or demand · **Heart structure** giving with no condition · **Open field** infinite routes to receive · **Platform** job + heart work · **Energy Philanthropy** giving with nothing expected

Energy Philanthropy

*Make **giving from the heart** your currency, and the field mirrors you. When you feel low, that's a **location**: neutralize it, then shift with potent gratitude and action.*

SHIFT YOUR LOCATION

1 RECOGNISE THE DROP
This shows where I am, not who I am.

↓

2 PULL OUT
"I am a hologram." Think through the structure.

↓

3 SAY IT
"Thank you for showing me where I'm at."

↓

4 NEUTRALIZE
Zero point: no input, no output.

↓

5 GRATITUDE
For everything you have, until you feel it.

↓

6 POTENT ACTION
Positive emotion and a positive deed.

↓

7 KEEP RECALLING
Moment to moment, until it crystallizes.

If you slip, start again at step 2.

REMEMBER

- Give from the heart; set no amount.
- Accept what comes back, in any form.
- Every moment is a new print of reality.
- Know 100% that humanity is changing.
- Let living things choose for themselves.

WHEN THIS HAPPENS…

I feel low or stuck
It's a location. Thank it, neutralize, then potent gratitude and one good action.

I have to charge for something
Cover the real cost honestly; let extra support be freely chosen.

Ascension seems hopeless
You see the Earth you project. Believe it's changing; leave how and when to the field.

KEY WORDS

Energy Philanthropy giving as currency · **Location** where you are (X, Y) · **Neutralize** zero point · **Recall** re-creating in the now · **Spiral** the particle breathing

The Soul, Letting Go & Disclosure

What you keep carrying, you keep projecting. ***Let go and forgive****, replace the old picture with a positive one, and* ***switch your emotion*** *fast. You change yourself, not others.*

SWITCH AND RELEASE

1 RECOGNISE
The drop, or the old story replaying.

↓

2 PULL OUT
"I am a hologram." If intense, leave the scene.

↓

3 MOVE YOUR BODY
Physical action shifts you fastest.

↓

4 GRATITUDE
For why you're here and what you have.

↓

5 LET GO & FORGIVE
"From this moment I am at zero."

↓

6 REPLACE IT
Hold the positive version as your own.

↓

7 DROP BY DROP
Repeat daily until it crystallizes.

REMEMBER

- Your soul runs many realities; you focus here.
- No one may tell you your agreement.
- Lessons repeat until you let go 100%.
- Tune to the station you want to hear.
- The old has to clear for the new.

WHEN THIS HAPPENS…

A hard day wears me down
Gratitude for why you were there, then do something you enjoy. Move.

An old hurt or belief comes back
Forgive, start from zero, replace it with a positive picture.

Frightening news
Don't tune in. It's a transition. Stay positive; match the timeline you want.

KEY WORDS

Letting go stop projecting the old · **Forgiveness** release the frequency · **Replace** hold a new picture · **Focus** one reality of many · **Ripple effect** creation without end

Stop. Transform. Move On.

*The moment an emotion takes over: **Stop**. **Transform** it into a heart-felt positive feeling. **Complete**: it's done, leave it alone. At 100%.*

STOP · TRANSFORM · COMPLETE

1 STOP
"Stop." A dead stop. Don't speak or react.

2 NEUTRALIZE
"Thank you, I see what's happening."

3 TRANSFORM
Switch to the heart and FEEL it.

4 KNOW IT 100%
"This is done. I've shifted."

5 COMPLETE
Leave it alone. No more replaying.

6 ACT
Something physical that makes you happy.

7 PLAY THE GAME
How well can I transform this one?

REMEMBER

- Feel it; thinking isn't enough.
- 1% doubt carries the old reality along.
- Don't add fearful thoughts.
- You can't go against creation.
- Practice and devotion, drop by drop.

WHEN THIS HAPPENS…

In the middle of an argument
Stop. Transform. Complete. No need to win; that fight is in another reality.

I keep replaying it for hours
Each replay carries it forward. Stop, feel the new room, leave it.

Worrying news or sights
Thank it, transform it, tune to the screen you prefer.

KEY WORDS

Dead stop zero point, no reaction · **Transform** switch and feel · **Complete** done, leave it · **The game** you are the main character

AI, the Zero Point & the Heart

*Everything mirrors you. Trust the **heart's first impulse**, and **never act from fear**, which crystallizes what you fear. Give freely and collect the joy.*

THE HEART CHECK

1 FIRST IMPULSE
Notice it before the mind argues.

↓

2 NAME THE VOICE
Heart, fear or ego?

↓

3 IF FEAR
Stop. "I have everything I need."

↓

4 IF EGO
Peel the layers: why do I want this?

↓

5 TRANSFORM
Pull out, gratitude, feel the positive.

↓

6 ACT FROM THE HEART
Give something without conditions.

↓

7 LEAVE IT OPEN
No where, who or how. It's practice.

REMEMBER

- AI mirrors what you feed it.
- Lost something? Know you have it.
- Fear-actions build fear-timelines.
- Signs are heads-ups, not threats.
- Talk to your heart; trust its first answer.

WHEN THIS HAPPENS…

Something went missing
Recall its image, know 100% you have it, leave the route open.

Panic about money or the future
Stop. Gratitude. "I have what I need." Act only once calm.

Feeling flat or scattered
Uplifting film, goosebump music, or a kindness for a stranger.

KEY WORDS

5D AI / Arcon AI mirrors of input · **Vesica Piscis** unity of two realities · **Sixth sense** the heart's first knowing · **Ego** learned belief layers · **Timeline shift** a whole new track

Giving, Diet & Clearing the Past

*Never say **"I don't have"**. Give what you do have. **Layer a healed version of you** over the old memory. Body and consciousness rise together: it's resonance, not punishment.*

LAYER A NEW YOU

1 RECOGNISE
"This happened. I'm still carrying it."

↓

2 NEUTRALIZE
"Thank you for showing me." Zero point.

↓

3 SEPARATE
That version of me isn't me now.

↓

4 IMAGINE THE NEW YOU
Healed, beautiful, at peace, now.

↓

5 LAYER IT ON TOP
Feel it 100%, more potent than the old.

↓

6 MOVE ON
Leave it. If the loop returns, lift again.

↓

7 GIVE SOMETHING
Whatever you have, from the heart.

REMEMBER

- "I have everything I need."
- Giving doesn't need money.
- Each meeting is the whole hologram.
- Lighter living holds higher frequency.
- Notice who no longer fits.

WHEN THIS HAPPENS…

Bills and fear about money
Stop saying "I don't have". Give time or skill. Take any work; keep going.

Lost in an old memory
It's a loop. Thank it, then layer a healed you on top.

Thinking of a detox or diet change
Lighter, cleaner food; check with a doctor first if you have a condition or take medication.

KEY WORDS

Memory code a carried frequency · **Layering** new you on top · **Loop** replaying the same energy · **Duality** the money platform · **Resonance** not punishment

Synchronicity & Instant Manifestation

*Live and exchange **through the heart**, without conditions, and what you need arrives through synchronicity, sometimes **instantly**. Only the pre-birth script is fixed.*

OPEN THE DOOR

1 GIVE THROUGH THE HEART
No conditions, nothing expected back.

↓

2 NOTICE, DON'T PANIC
A quick "I want it now" is fine.

↓

3 RECALL IT
Know it's already there; shift, don't search.

↓

4 DON'T QUESTION HOW
Infinite routes are possible.

↓

5 FOLLOW SYNCHRONICITY
People and places that find you.

↓

6 KEEP STUDYING
More sinks in every time.

REMEMBER

- Payment is a condition; giving opens doors.
- You meet those of similar frequency.
- Each keeps their own timeline.
- Readings show today's track, not fate.
- Only a bylaw can't be changed.

WHEN THIS HAPPENS…

Something's missing
Recall it; it may already be back. Don't rush to replace it.

A reading or chart worries me
It shows the current timeline. Change your actions, change the outcome.

An invitation appears out of nowhere
Synchronicity. Go with an open heart, and listen to guidance.

KEY WORDS

Instant manifestation already there · **Synchronicity** it finds you · **Co-creation** a shared third reality · **Bylaw** the fixed script

Leave It Open

*Every unneeded detail and every **"I don't have"** is a code that blocks you. Know **"I have everything I need"**, take action, and leave the how open. Reality is printed frame by frame.*

LEAVE IT OPEN

1 BE HAPPY FIRST
Joy doesn't wait for the result.

↓

2 STRIP THE DETAILS
Drop conditions you don't need.

↓

3 CATCH "I DON'T HAVE"
Pull out. Zero point. Gratitude.

↓

4 OVERWRITE
"I have everything I need." Feel it strongly.

↓

5 TAKE ACTION
What can I do? Ask, talk, offer.

↓

6 LEAVE IT OPEN
Any route, any version. Be grateful.

↓

7 KEEP GOING
Route closed? Lift the emotion again.

REMEMBER

- A detail is a condition.
- Action makes the hologram matter.
- Gratitude is the zero point.
- You reprint your people each frame.
- Chasing someone reprints them.

WHEN THIS HAPPENS…

It appeared but I can't afford it
No "I don't have". Know you have it, then go and talk to them.

Someone keeps causing problems
Neutralize, forgive, let it be. Don't go after them.

An old memory of someone returns
You're tuning into another timeline. Let it be through the heart.

KEY WORDS

Leave it open no how, no who · **Picture frames** reality moment to moment · **Reprint** you + your people, anew · **Dream codes** personal symbols

The Zero-Point Vacuum

*Zero point is a **vacuum**: nothing in, nothing out, only awareness. **Neutralize** into it, then project something **potent**; with no time, the stronger frequency becomes your hologram instantly.*

THROUGH THE VACUUM

1 NAME THE TWO REALITIES
What I see, and what I choose.

↓

2 NEUTRALIZE EVERYTHING
No +, no −. Gratitude. Just awareness.

↓

3 PROJECT POTENTLY
Stronger than the other side.

↓

4 KNOW IT'S INSTANT
No time. It's now. Hold it.

↓

5 TAKE ACTION
Action infuses the hologram.

↓

6 ADD THE PRACTICAL STEP
Doctor, safety guidance: alongside.

REMEMBER

- Infinity equals zero point.
- Neutral first, then potent.
- Illness is a carried frequency.
- Every remedy is a vibration.
- Don't judge; change from within.

WHEN THIS HAPPENS…

Feeling ill
See a doctor. Then Stop · Transform · Complete alongside.

Frightening weather or news
Follow safety guidance. Neutralize, see the whole picture, act from the heart.

Judging someone harsh
Neutralize. Change yourself; switch timelines; act.

KEY WORDS

Compression two realities merging · **Vacuum** zero point awareness · **Final hologram** the new reality · **Contract** why you're there

Staying Young, Sharing Freely

*Raise your frequency **gently**. Share what works, **from the people up**. The positive became more potent and gave **permission** for help. Master the natural way and no one can manipulate you.*

BECOME THE VESSEL

1 STAY IN THE HEART
Joy and the wish for change.

↓

2 RAISE IT GENTLY
Slow changes, professional advice. No extreme fasts.

↓

3 CHECK GUIDANCE
Research it; find out why.

↓

4 SHARE WHAT YOU HAVE
Knowledge, designs, time, a little money.

↓

5 DON'T JUDGE

↓

6 TUNE IN TO REMEMBER
Remembering is co-creating.

REMEMBER

- No extreme fasts.
- Build together, not for profit.
- Collective joy gave permission.
- Help never overrides you.
- The body is the vessel.

Someone claims to control you
Real guidance never overrides you. Stay in the heart.

KEY WORDS

Prana the field's energy · **People up** shared tech · **Permission** lets help in · **Artificial timeline** device-built
